Mr. Allen Viguiet,

BONDI BEACH NSW 2026

Dear Mr. Viguiet,

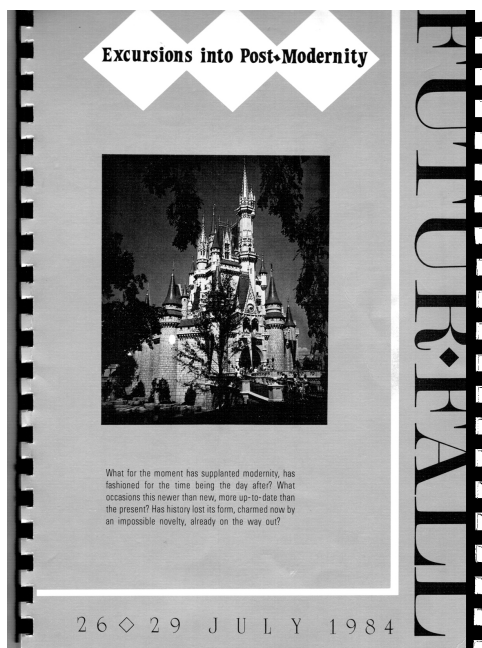

Thank you so much for your generous offer of an unquestionably authentic rock. Many of the signatures are well known to me yet some are hard to attribute.

Unfortunately I have not included authenticated stones on my acquisition policy and feel inhibited about referring the work to our Board of Trustees. If you wish to leave it as a permanent loan however I will display it in my office and in the gallery when a suitable context arises. I would be delighted to discuss the matter if you care to get in touch with me at the Art Gallery. I regret having had to miss the conference since I was in the midst of home removing last weekend but I did have spies present to report the gist of the debates.

Yours sincerely,

ANTHONY BOND
CURATOR OF CONTEMPORARY ART
